Group Show: The Age of Innocence This show gathers the work of four lesser-known photographers who address the vexed condition of childhood. It holds some nice surprises, especially the honest character sketches of Pamela Mayers-Schoenberg and the filmic staged tableaux of Holly Andres (L.O.). DNJ Gallery, 154½ N. La Brea Ave., L.A.; ends March 29. (323) 931-1311.
